SPRING 2020

courage & confidence ... **together**

SAINT PHILOMENA SCHOOL GO THE DISTANCE LEARNING

OVERVIEW

The Saint Philomena School *Go The Distance* Learning program for Preschool to Grade Eight include core academic subjects, co-curricular experiences and student life engagements to help our students continue to grow and learn while learning from home

Saint Philomena School Faculty and Staff are available each day from 9AM-2PM by email (when not in live instructional engagements) to assist students and families.

Components of the schedule include the following elements:

NEW!

- **School-wide Meeting 960-036-0982 Mondays 8:30am - 8:45am**
- **Get Up & Get Moving with Ms. Legare (5-8) 461-216-2138 Mondays, Wednesdays, & Thursdays from 8:00am-8:30am.**
- **Core instructional learning engagements** are scheduled with teachers through live engagement using the Zoom platform. Students should log into their teacher's Zoom classroom using the meeting id or the links provided on the Saint Philomena School website Distance Learning homepage.
- **Co-curricular and Go the Distance Engagements** with our co-curricular teachers expand the learning experience. Students can sign into the particular co-curricular teacher's Zoom classroom at the assigned times. Mindful of the need for flexibility for our families during this time, students are invited to meet with co-curricular teachers during the assigned blocks, or watch the weekly engagement videos or engage in Go the Distance projects when it is most convenient. Students who select a "Go the Distance" challenge academy project can also check in with their co-curricular coach for that subject during the assigned class time.
- **Small Groups for K-2 students** are assigned by teachers to target skills in more intimate groupings of students to assist with learner progression.
- **Guided Learning** time is available to 3-8 students as a study period to check in with any teacher through Zoom classrooms for live instructional support on assignments or to seek additional help or extension activities.
- **Library Support** for grades 3-8 is an optional time for students to log into Mrs. Capuano's Zoom classroom for assistance with literacy "Go the Distance" projects, suggestions for extension activities on the Digital Resource Library, research assistance, or to discuss books and reading recommendations.
- **Community Service Check In with Mrs. Byrne 820-200-7092.** Those students doing a community service Go the Distance Challenge have the opportunity to check in with Mrs. Byrne to ask questions, share ideas or seek guidance.
- **Virtual Recess & Hangouts (K-8)** is available to allow students in grades K-8 an optional chance for social interaction between both A and B classes. *Students in K* login to Mrs. Silveria's Classroom. *Students in grades 1 & 2* login to Mrs. Davis' classroom. *Students in 3-8* login to Mrs. Cynthia Roche's classroom.
- **Virtual Playtime for Preschool and Pre-Kindergarten Students** is an option for PS and PK students to socialize. Preschool and PK3 students login to Mrs. Howes zoom classroom and PreK 5 logs into Mrs. Wakefield's classroom.
- **Pastoral Day** on Friday is scheduled for students and families to unplug, regroup, catch up and complete assignments, work on Go the Distance Challenge projects and/or engage in any of self-selected educational resources in the Digital Distance Resource Library located on the Distance Learning webpage.
